

Kindergarten Education Scheme

School-based Learning Activity of Chinese Culture

Name of School Yan Chai Hospital Yau Oi Kindergarten/Child Care Centre

School Year 2022-2023

Grade Level K1-K3

Name of Activity

Understand Chinese culture from traditional festivals and solar terms

Objective(s)

- understanding of traditional Chinese festivals and solar terms
- fostering a sense of student identity and pride

Brief Descriptions:

Leverage traditional Chinese festivals and the twenty-four solar terms organically combine with courses to let students understand traditional Chinese customs , history, culture, living habits and values, and know that traditional Chinese festivals and solar terms are closely related to our current life. On July 8, the teachers of our school also shared their learning experience and achievements with others scholars.
