

# Kindergarten Education Scheme

## School-based Learning Activity of Chinese Culture

Name of School Yan Chai Hospital Yau Oi Kindergarten/Child Care Centre

School Year 2022-2023

Grade Level K1-K3

### Name of Activity

Immersive traditional culture everywhere

### Objective(s)

- Understand and explore the footprints of traditional Chinese culture in Hong Kong, knowing that Hong Kong is a place where Chinese people live
- Strengthen students' understanding of Chinese culture and cultivate a sense of national identity
- Cultivate students to care about the values of Hong Kong

### Brief Descriptions:

During the summer activities in August, teachers led K1 to K3 students and their parents to visit some places in Hong Kong that are rich in Chinese style and feelings, allowing students and parents to experience and appreciate the traditional Chinese architectural style and rich Auspicious totems, artistic works, etc., build Chinese traditional culture and Chinese living customs, enhance students' national identity and pride, and cultivate students to cherish and protect Chinese traditional culture.
