**Grade N-K3**

**Name of Activity**

**Mid-Autumn Festival Moon Viewing Celebration**

**Objective(s)**

- Understand the celebration methods and special foods of the Mid-Autumn Festival.
- Experience and enjoy the joyful atmosphere of the Mid-Autumn Festival.
- Young children can express the customs of the Mid-Autumn Festival, such as eating mooncakes, playing with lanterns, and guessing lantern riddles.

**Brief Descriptions:**

Today is the 15th day of the eighth lunar month, the Mid-Autumn Festival. Let's take a look at the stories of this festival: "Eating mooncakes during the Mid-Autumn Festival, listening to the tale of Chang'e."

Next, we will have a collective game of guessing lantern riddles, where everyone can enjoy "Mid-Autumn goodies" and share traditional foods, filled with laughter! Finally, the most exciting part for the children is the lantern parade! The children will explore the campus with their beloved lanterns, excitedly watching the shining lights.

The school has also prepared adorable "Moon Rabbit Lanterns" and fans symbolizing reunion as gifts for each child to take home, spreading happiness! And of course, we can't forget the delicious sharing moment of Mid-Autumn delicacies! A big thank you to all the parents for thoughtfully preparing a variety of festival foods; the children enjoyed every bite! But let's all remember to maintain a "healthy lifestyle" by eating healthily and in moderation! Wishing everyone a happy Mid-Autumn Festival, may you and the moon be reunited, stay healthy, and be filled with happiness!
